Neighborhood and Housing Goals..... 28
Public Facilities and Services Goals 31
Community Development Goals..... 34
Quality of Life and Environment Goals 37

The Action Plan

1. Strengthen Neighborhoods and Housing 40
 The City of Lewisville should develop a Neighborhood Assistance Program to address neighborhood stabilization..... 41
 Facilitate the creation of neighborhood organizations..... 42
 Implement a neighborhood planning process 43
 Offer target neighborhood code enforcement combined with housing assistance. 45
 Implement a housing inspection program..... 46
 Rezone residential areas which are currently zoned for commercial uses 47
 Coordinate community policing program..... 47
 The City of Lewisville should develop and use a housing investment program to improve the environment for reinvestment in existing neighborhoods..... 47
 Increase maintenance of infrastructure in older neighborhoods. 48
 Encourage community lending within Lewisville. 48

The City of Lewisville should implement Special District Zoning and Regulations to stabilize existing neighborhoods.	49
Amend zoning ordinance to permit the creation of conservation districts.....	50
Provide incentives for housing renovation	51
The City of Lewisville should develop and adopt a policy dealing with the redevelopment of existing residential neighborhoods.	52
Develop and implement redevelopment policies	52
Develop and implement rezoning policies.....	54
The City of Lewisville should develop and implement a Neighborhood Traffic Management Program.....	54
Enforce design requirements through the platting process	55
Implement a traffic management program.....	55
The City of Lewisville should develop a joint public/private lighting program to increase residents' sense of safety.....	56
Establish joint public/private lighting program	57
Enhance lighting on private property.....	57
2. Enhance Economic Development	58
The City of Lewisville should develop a Strategic Economic Development Plan to implement a proactive economic development strategy.	59
Create target industries policy	60
Develop evaluation criteria for prospects	60
Develop a business retention program.....	61
Use joint public/private partnerships	62
Provide assistance in organizing business groups	62
Develop policy on use of tax incentives	62
Promote quality development	63
Consider use of special districts.....	63
The City of Lewisville should fund a proactive economic development program using the sales tax for economic development purposes.	63
The City of Lewisville should consider implementing Public Improvement Districts and Tax Increment Financing Districts in targeted areas of the City.	64
Establishing public improvement districts.....	64
Establishing tax increment financing districts	67
3. Revitalize Old Town Lewisville	70
The City of Lewisville should develop and implement a program for the revitalization of Old Town Center.....	71

Develop a strong working relationship with the Old Town Business Association.	71	
Create a conservation zoning district for Old Town Center.	72	
Amend development regulations inhibiting rehabilitation and redevelopment.	74	
Implement financial strategies to fund elements of the program.	74	
The City of Lewisville should develop and implement a program for industrial revitalization in the Kealy Addition Area of Old Town.....	75	
Develop Kealy Industrial Area revitalization plan	76	
Use targeted business retention program	77	
Develop a marketing campaign for Kealy Industrial Area.	78	
The City of Lewisville should develop special design treatment for the Main Street corridor within Old Town as part of the road improvements already planned.....	78	
4. Ensure Quality Development.....	80	
The City of Lewisville should adopt strategies for ensuring high quality new development.	80	
Evaluate rezoning properties currently zoned “Heavy Industrial” to “Light Industrial.”	81	81
Modify industrial zoning standards.	81	
Consider using a "campus industrial park" zoning district concept.....	82	
Incorporate additional compatibility standards into zoning ordinance	82	
The City of Lewisville should implement strategies for retrofitting existing development to current standards.	83	
Amend compliance standards	83	
Consider alternative funding strategies.....	85	
Develop a program where the City fronts funding for missing thoroughfare links and is reimbursed when development occurs.....	85	
Utilize roadway impact fees.....	86	
5. Plan Future of East Lewisville.....	87	
The City of Lewisville should develop a comprehensive flood plain management plan for the Elm Fork of the Trinity River.	88	
The City of Lewisville should develop and adopt a Master Development Plan for East Lewisville.....	89	
The City of Lewisville should work with the surrounding communities and the Texas Department of Transportation to find ways to accelerate construction of the SH 121 bypass.	90	
6. Create Strong Community Image	91	
The City of Lewisville should develop a beautification program to enhance the community's image.	91	

Create program for gateway area improvements.	92
Develop a beautification policy.	92
Develop a community tree planting program.	93
Complete the hike and bike system.....	94
The City of Lewisville should develop a community outreach program to strengthen communications between the City and its citizens.	94
Create a “Customer Service” ethic for Lewisville	94
Continue, monitor and refine newsletter.....	95
Facilitate open house activities.	95
Coordinate community volunteers.	95
Improve quality of audio and video services.	95
