

ARTICLE II. GENERAL PROVISIONS

Section 11-02.Purpose.

The purpose of this chapter is to permit signs that will not, by their size, location, and construction endanger the public health and safety of individuals, or confuse, mislead, or obstruct the vision necessary for traffic safety, or decrease the value of surrounding properties. Also, this chapter is intended to create a more aesthetically pleasing community to both visitors and residents by preventing the over-concentration and improper placement of signs and by requiring all signs to be properly maintained.

Section 11-03.Applicability.

The terms and conditions of this chapter shall apply to all signs located within the city, with the exception of City-owned message/reader board signs. City-owned message/reader board signs shall be exempt from the requirements of this ordinance.
