Fire

Testing Equip. Serial # _____ **Model:** _____

**** IMPORTANT NOTE TO APPLICANT ****

In the event that any part of the registration expires, i.e. calibration test report, state license/s, the registration will automatically become void. If registration requirements are brought back into compliance within the paid registration period, re-installment will occur.

Registrations are valid from March 1st, to March 1st, of each year (registrations are not pro-rated).

Partial applications will not be accepted.

We do not charge for test forms. *The quantity of forms issued will be for current devices to be tested only. Tester must return completed, white form copy to the City. Forms may be mailed to the address above.*
