NOTICE

DRIVER'S RESPONSIBILITY PROGRAM

"A conviction of an offense under a traffic law of this state or a political subdivision of this state may result in the assessment on your driver's license of a surcharge under the Driver Responsibility Program."

Chapter 708 of the Transportation Code establishes a Driver's Responsibility System implemented through the Department of Public Safety (DPS). The system is based on points related to traffic convictions. Moving violations will be assessed two points for each non-accident violation and three points for each accident violation. Each year DPS will assess a surcharge on the license of a person who has accumulated six or more points during the preceding 36 month period. The DPS will collect the surcharge and may use automatic license suspension to collect the fee. A "No Insurance" (Failure to Maintain Financial Responsibility) conviction results in a surcharge of \$250.00 per year. A "No Driver's License" conviction results in a surcharge of \$100.00 per year. These surcharges will last three years. If you have questions about the Driver's Responsibility Program contact the DPS.

DO NOT IGNORE YOUR CITATION!

Failure to comply with your written promise to appear constitutes a separate offense and may result in additional fines, costs, and/or warrant(s) being issued for your arrest. If a warrant for your arrest is issued, you will be subject to arrest at your home, place of business or wherever you may be found. **A telephone call does not constitute a lawful appearance!**

Inability to pay this fine is not an excuse for failure to appear in court to answer this charge. Extensions to pay the FINE may be granted at the time of appearance.

If you fail to appear in court or fail to satisfy a judgment ordering the payment of fine, costs or other sanctions, you may be denied renewal of your driver's license AND your ability to register your vehicle.

If you are convicted of a misdemeanor offense involving violence where you are or were a spouse, intimate partner, parent, or guardian of the victim or are or were involved in another similar relationship with the victim, it may be unlawful for you to possess or purchase a firearm, including a hand gun or long gun, or ammunition, pursuant to federal law under 18 U.S.C. Section 922 (g)(9) or section 46.04(b), Texas Penal Code. If you have any questions whether these laws make it illegal for you to possess or purchase a firearm, you should consult an attorney.
