

City of Lewisville Rain/Freeze or Moisture Sensor Credit Guidelines & Instructions

Rain sensors capture moisture and prevent the sprinkler system from watering in the rain. Freeze sensors are generally combined with rain sensors and will prevent sprinkler systems from operating when the temperature drops below freezing. Moisture sensors measure the water content in the soil via direct contact with plant root zones and provide more accurate control over how much water is used for irrigation.

General Guidelines:

- Program applicant must be a water customer of the City of Lewisville in good standing.
- This program is not for multi-family or commercial water customers.
- The City does not endorse specific brands, nor is responsible for the performance, installation or repair of qualifying sensor.
- Funding for each fiscal year runs from October 1 through September 30. A dated and itemized sales receipt must be submitted with the application within sixty (60) calendar days of purchase and installation and postmarked no later than September 15.
- Program terms and conditions are subject to change without prior notification.
- A maximum of \$375 in credits for any combination of eligible water conservation improvements are available per single-family residential address in one fiscal year.

Specific Guidelines:

- Up to a \$25 credit for a qualifying sensor. **Tax is not included.**
- One (1) sensor credit per household.
- The rain/freeze or moisture sensor must be in place at the address listed above for as long as the applicant resides at said property and must be set to the minimum shutoff requirement specific to its brand and model.

Rain/Freeze or Moisture Sensor Credit Instructions

- 1) Select rain/freeze or moisture sensor.
- 2) Purchase rain/freeze or moisture sensor (preferably from Lewisville retailer).
- 3) Install rain/freeze or moisture sensor.
- 4) Submit an application with supporting documentation enclosed (see below).

Enclose the following documents with your application and submit to:

Neighborhood Services – Office of Sustainability
Attention: Irrigation Sensor Credit
P.O. Box 299002
Lewisville, TX 75029-9002

- Copy of original invoice or sales receipt showing date and place of sale.
- Copy of the original proof of purchase with complete barcode (if self-installed).

Please retain a copy of all material submitted for your records. The City of Lewisville is not responsible for materials lost by mail.
