

PRESS RELEASE

Positive COVID-19 Case

April 1, 2020 - Chief Deaver is confirming the department's first positive COVID-19 case for an employee.

The employee is a police officer who was exposed to the virus by a family member. The officer has been in quarantine since March 24. He was tested on March 30 and received the results yesterday (March 31). Chief Deaver talked to the employee yesterday and he was in good spirits and feels like his condition is improving. He will remain in quarantine following appropriate protocols.

The officer is a resident of Denton County. No other information will be released about the officer.
