Note: *We do not use donated dry food to feed our animals at the shelter. The City provides the shelter with a budget to purchase dry dog and cat food, which allows for consistency, and helps protect the animals from getting upset stomachs. However, we do work with many local animal rescues and organizations, so if you have any unused or unopened dry food that you would like to donate, we will donate it to rescue groups or local pet food pantries.*

Linens: Large Bath Towels/Beach Towels, Blankets, Comforters

Monetary Donations

Can be made in person at the shelter or online:
